Rabbi Yitzchak Dovid Grossman founded Migdal Ohr in 1972. His express purpose was to provide education and social guidance for the poor, the orphans, the abused and the disadvantaged children from underprivileged homes in Migdal Ha'Emek.

Over the years, the Migdal Ha'Emek institutions evolved into a huge educational enterprise with a student body comprised of Russian, Ethiopian, Ukrainian, Serbian and Israeli children.

Migdal Ohr's model has proven successful at repairing the damaged lives of children and giving them the love, self-esteem and education they need to reach their maximum potential. Today, Migdal Ohr is a "Tower of Light" not only for Migdal Ha'Emek and the Galilee, but for all the children of Israel, under the inspirational leadership of its founder and leader, Rabbi Yitzchak Dovid Grossman.
